An effective method for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an book from you, ask for their opinion when it comes to

price. Do that by creating a gross sales web page for the new e-book, however don't embody a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with different costs on each page. Make sure that your gross sales copy is precisely the same on every web page, and includes your promoting-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum value is.

Finally, when you've written a ebook that solves a problem or presents a brand new technique, your guide will herald each visitors and profits. So you should definitely write that selling-deal with sentence that sums up what drawback your e-book solves and what the benefits of your 1194 guide will likely be to the customers who purchase it.
