An effective technique for determining a price is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do this by making a sales page for the new guide, however do not include a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out costs by making a variety of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is precisely the same on every web page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum worth is.

Ultimately, if you've written a book that solves a drawback or presents a new technique, your book will herald both traffic and profits. So you should definitely write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 1227 e book shall be to the purchasers who purchase it.
