If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the new e book, however don't embody a price on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is strictly the similar on every page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a book that solves a drawback or presents a new approach, your book will herald both site visitors and profits.
