Do this by making a gross sales page for the brand new e book, however don't embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with completely different costs on every page. Make certain your sales copy is precisely the identical on each page, and contains your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum price is.

Finally, if you've written a ebook that solves a drawback or presents a new method, your e-book will bring in each site visitors and profits.
