Then make sure you use that sentence in every piece of gross sales and promotional materials, and each time anyone asks you about your ebook.

Besides selling your books assiduously on-line, there are several other methods that can allow you to promote extra books.

One is to offer one thing away at no cost along with your ebook, comparable to a useful bonus item. Or bundle several ebooks underneath one price, which lowers the price for each e book if they were offered separately.

An effective method for figuring out a price is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the brand new e book, but don't embrace a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by creating a number of duplicate gross sales pages with totally different prices on each page. Ensure your gross sales copy is strictly the similar on every

web page, and consists of your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

In the end, if you happen to've written a book that solves a drawback or presents a brand new method, your e-book will usher in both visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your e-book solves and what the benefits of your 147 e-book will likely be to the shoppers who buy it.
