After you figure out your aim, you have to work out what your audience's need is on your ebook. For example, does your e book clear up a specific downside? If it does, and solves it in a means that hasn't been written about in one hundred other ebooks, you may be able to achieve excessive gross sales at a high price. If your ebook solves a problem or answers questions in a new and distinctive way, it's best to price your book as excessive as you possibly can go.
