If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do this by making a sales web page for the brand new e book, but don't embrace a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with completely different prices on every page. Ensure that your gross sales copy is exactly the similar

on each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum worth is.

Ultimately, if you happen to've written a book that solves a downside or presents a brand new method, your book will bring in both traffic and profits.
