price. Do that by making a sales page for the brand new guide, however don't embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is strictly the similar on every page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.
