Do that by creating a gross sales page for the new ebook, however do not include a worth on that page. Instead, add a number of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with different costs on every page. Make sure your sales copy is precisely the similar on each page, and includes your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and sales of your book. This will inform you what your optimum worth is.

Ultimately, if you've written a ebook that solves a problem or presents a new technique, your e-book will usher in each site visitors and profits.
