An effective method for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion by way of price. Do this by making a gross sales page for the brand new e-book, however don't embody a worth on that page. Another strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on each page. Make sure that your sales copy is exactly the same on each web page, and includes your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.
