Do this by making a gross sales web page for the brand new e-book, but don't embrace a price on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with totally different costs on each page. Be sure your gross sales copy is strictly the same on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum price is.

In the end, if you happen to've written a ebook that solves a downside or presents a new method, your e book will herald both site visitors and profits.
