Do this by creating a sales web page for the brand new e book, but don't embrace a price on that page. As an alternative, add plenty of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with different costs on every page. Ensure that your gross sales copy is exactly the identical on each

web page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.
