An effective approach for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the brand new ebook, but do not include a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with totally different prices on every page. Be sure that your gross sales copy is exactly the same on every web page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.
