One is to give something away at no cost together with your e book, reminiscent of a useful bonus item. Or bundle several ebooks beneath one worth, which lowers the value for every e-book if they have been sold separately.

An effective approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by making a sales web page for the new book, however don't embody a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with different prices on each page. Ensure that your gross sales copy is exactly the similar on each web page, and includes your promoting-handle sentence. Then work out for each web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum worth is.

In the end, if you've written a book that solves a problem or presents a new method, your e book will herald both visitors and profits.
