Advertising Strategies

This sentence states what query or problem your ebook solutions and the benefits your book can provide. Then be sure you use that sentence in each piece of sales and promotional materials, and every time anyone asks you about your ebook.

Besides selling your books assiduously on-line, there are several different methods that can help you sell extra books.

One is to give something away totally free with your guide, corresponding to a useful bonus item. Or bundle several ebooks below one value, which lowers the worth for each e-book if they were offered separately.

An effective method for figuring out a worth is to ship out a survey to your present customers. If these customers have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a gross sales web page for the new guide, but don't embrace a value on that page. As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is exactly the same on every

page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum value is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new method, your e book will usher in both site visitors and profits.
