Start on the highest price the market will bear to usher in the largest earnings, and plan to low cost the book a number of occasions all through the year.

Make sure that your gross sales copy is exactly the identical on each page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum value is.

Ultimately, when you've written a guide that solves a drawback or presents a brand new technique, your e-book will bring in both traffic and profits.
