If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by making a sales page for the brand new book, however don't embody a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make certain your sales copy is exactly the same on each

page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum worth is.

Finally, if you happen to've written a e book that solves a problem or presents a new approach, your ebook will bring in both site visitors and profits.
