An effective method for determining a worth is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a sales page for the new guide, but do not include a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on each page. Make sure that your sales copy is precisely the same on

every page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.

In the end, for those who've written a guide that solves a drawback or presents a brand new technique, your book will usher in each traffic and profits. So you'll want to write that selling-handle sentence that sums up what drawback your book solves and what the advantages of your 354 guide can be to the purchasers who buy it.
