An effective method for determining a value is to ship out a survey to your current customers. If these clients have already purchased an ebook from you, ask for their opinion in terms of price. Do that by making a gross sales web page for the new book, however do not include a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure your sales copy is precisely the similar on every

web page, and contains your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum worth is.

In the end, when you've written a ebook that solves a drawback or presents a new method, your e-book will usher in each traffic and profits. So make sure you write that promoting-handle sentence that sums up what problem your guide solves and what the benefits of your 409 e-book will likely be to the shoppers who buy it.
