Do this by creating a sales page for the new e-book, however don't embody a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different prices on every page. Make certain your gross sales copy is exactly the similar on every page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.

Finally, if you happen to've written a guide that solves a downside or presents a brand new method, your e-book will herald each traffic and profits.
