The key that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. An efficient technique for figuring out a value is to send out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new e-book, but do not include a value on that page. Another technique is to check out prices by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is exactly the identical on

each page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can inform you what your optimum value is.
