If these prospects have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a sales web page for the brand new guide, however do not embrace a value on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with different costs on every page. Be sure your sales copy is exactly the same on every web page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum price is.

In the end, if you happen to've written a e-book that solves a problem or presents a brand new approach, your book will bring in both traffic and profits.
